The current design and devices:

EHY 2000  EHY 2010  EHY 3010

Birth of a new design:

What happens when we start a plan?
First of all we talk about what the goal is: a new design, a redesign, a correction on the basis of customer suggestion, etc.
When we make a new design, we start with some drafts.

Next generation in Oncotherm:

The next generation Oncotherm product is coming in the end of 2011.

Future plans:
